You are a manager of three employees at Riordan Manufacturing. You recently had these employees take a series of self-assessments to aid you in managing them. Now that you have these assessments, you are now tasked with creating an Employee Portfolio for each of the employees to help guide you in developing ways to best manage them.

**Resources: Results of Self-Assessments - Employee Portfolio Management Plan**  
Complete the Employee Portfolio: Management Plan found on your student website for each of the three employees.

Write a 350- to 700-word summary. Include the following in your summary:

- How might these three employees' characteristics affect the performance of the organization?
- Recommendations for additional assessments.

Submit the Self-Assessment Results with the Employee Portfolio and Summary.
